| []a. (ACCOUNTABILITY) This measure contains tough fiscal accountability by requiring annual independent financial audits, citizen oversight, and public disclosure of spending and ensures that all funds remain in Turlock and cannot be taken by the County or State government. These fiscal safeguards will make sure funds are used efficiently, effectively and as promised. ----- | 1 | 2 | 3 | 4 | 5 |
| []b. (FIRE PROTECTION) In 2019, Turlock Firefighters responded to more than 7,000 calls for service, an all-time high for the city. However as emergency calls increased, Fire Department staffing actually decreased. Looking ahead, without this measure the City will have to cut additional firefighting positions which would force the closure of one of its four fire stations. This will drastically increase fire and emergency medical response times in that area of the city. In some instances, these times could double. This measure helps maintain effective fire and emergency medical response services to ensure residents receive the timely help they need in an emergency. ----- | 1 | 2 | 3 | 4 | 5 |
| []c. (PUBLIC SAFETY) Due to population growth in Turlock, we are now 34 police officers below accepted standards for a city our size and crime was up 4 percent last year because the City did not have the resources to fully fund officer overtime payments, crime prevention and response programs that had led to reduced crime for three straight years. This measure will improve local public safety by allowing for proactive crime prevention, increasing traffic safety, and improving the 9-1-1 emergency response center so it can continue handling calls from our community during times of crisis. ----- | 1 | 2 | 3 | 4 | 5 |

[]d. **(STREETS)** Independent engineers gave the condition of Turlock’s streets and roads a rating of 57 out of 100, which is nearly 10 points worse than five years ago. This measure will provide the funding needed to properly maintain our streets, which will make them safer for drivers, pedestrians and bicyclists and will help reduce the need of drivers to make costly pothole-related car repairs. We need to address this infrastructure need now, rather than letting it worsen which will cost all of us more in the long run. ----- 1 ----- 2 ----- 3----- 4 ----- 5

(ASK SPLIT SAMPLE A ONLY)

[]e. **(CUTS)** As a result of reduced federal, state and county funding, increased demand for City services and increased costs to provide services to residents, the City of Turlock faces a multi-million dollar funding shortfall over the next few years. If this measure is not approved, the City may be forced to cut police and fire protection, emergency medical technicians, 9-1-1 emergency response, street and pothole repairs, afterschool programs, and other vital services. ----- 1 ----- 2 ----- 3----- 4 ----- 5

[]f. **(GANGS)** Gang-related crimes have expanded into our city including violent crimes, weapons, drug sales and human trafficking as the City has not had the resources to keep up with changes in state law that reduced jail time and led to the early release of career criminals. This measure allows the Turlock Police Department to restore its anti-gang, street crime and Special Investigations units that crack down on gangs and gang-related crime in our community to make it even safer. ----- 1 ----- 2 ----- 3----- 4 ----- 5

(ASK SPLIT SAMPLE B ONLY)

[]g. **(QUALITY OF LIFE)** People choose to live in Turlock because it offers a better quality of life than other nearby communities. This measure will provide the local services that strengthen our community, improve property values and keep Turlock a more desirable, safe place to live, do business and raise a family. ----- 1 ----- 2 ----- 3----- 4 ----- 5

[]h. **(YOUTH)** Passing this measure will maintain City-funded after-school and summer recreational programs that serve thousands of local youth each year. Providing safe and supervised activities with access to tutoring and mentoring keeps children and at-risk youth off the streets, away from gangs and drugs, and out of trouble. ----- 1 ----- 2 ----- 3----- 4 ----- 5
